Missouri Valley Celebrates Seventy-five Years

Missouri Valley College was chartered in 1888 and opened its first session September 17, 1889. It was the Cumberland Presbyterian College of the Synods of Missouri, Kansas, Nebraska and Colorado, and was regarded as the successor of two earlier colleges of the Church.

In 1874 a movement was started to establish a Synodical College, but only after a minimum of \$100,000 had been made available. An educational commission, headed by the Rev. James Henry Houx of Warrensburg, undertook to raise this sum, and after several years of effort did secure \$54,000. Thereafter the movement lagged until James E. Ritchey, of Sedalia, and others interested in the proposed college invited various towns to offer bids for its location. Marshall offered \$100,000 and the Educational Commission then under the leadership of the Rev. J. B. Mitchell, voted to accept it.

When the College opened, the Rev. Erasmus D. Pearson was president of the Board of Trustees, and A. J. McGlumphy, Chairman of the Faculty. Dr. McGlumphy administered the affairs of the infant college until April 1, 1890, when Rev. William Henry Black became its first president.

For thirty-seven years, Dr. Black served the College in a distinguished way. In 1926, Samuel R. Braden, Ph.D., became Acting President for one year until the election of George H. Mack, D.D. Dr. Mack remained in office eleven years. In the year 1937-38, the total attendance was 344. Thomas W. Bibb, Ph.D., of Albany College, Oregon, became President in 1938 and served until 1943, when the Rev. George P. Baity, D.D., President of the Board of Trustees, assumed direction of the College until a president could be secured. J. Ray Cable, Ph.D., of Washington University, became President in February, 1944. During World War II the facilities of the college were largely devoted to the support of a Navy V-12 unit. In June, 1948, following the resignation of President Cable, Dean Frederick Doering, Ph.D., was appointed Interim Chief Administrator. On August 1, 1949, Dr. H. Roe Bartle, Chairman of the Board of Trustees, was elected President of the College and G. Dewey Smith, Ed.D., was appointed Vice-President and Resident Administrator. Dr. Bartle and Dr. Smith served until January, 1951, when M. Earle Collins, Ph.D., became President.

Now, seventy-five years have passed and the enrollment has grown along with the campus, but the personal emphasis of its beginning still holds true.

Leadership, friendship, and service have been the key words the past year as the men of Epsilon Epsilon Chapter have moved forward. Service to the campus, to the community, and to the nation have been the main areas in which the Fraternity has served.

The money raised in our last APO Carnival has gone to help needy children. Tom Butterfield's Boy's Ranch in Saline County has been the recipient of this gift. This group is concerned with providing a home for underprivileged and neglected boys.

Throughout the year, the men of EE Chapter have been of service to the college in numerous ways. No matter what the occasion or when the time arose, the chapter always was ready to render service.

Personal development is always the outcome of our involvement in such activities as these found in APO.

In addition to gaining leadership experience by making good things happen, the Brother in Alpha Phi Omega has an opportunity to better himself by associating with men of like high purpose and ideals.

Present from Alums

Alpha Xi Delta traces its history on the Missouri Valley campus, to the Spring of 1922, when a group of girls formed a pep club and adopted the name Zoorizites.

When the name Vikings was chosen to represent the team, the girls changed their name to Valkyrs. In 1944 the administration ruled that all social groups should nationalize. In April, 1945, the National Council of Alpha Xi Delta accepted the Valkyr's petition for a charter. This was the sixty-second chapter of the national fraternity. In 1945, eleven girls proudly wore the most cherished possession of Alpha Xi Delta, the golden quill.

Beta Omicron proudly lists some accomplishments of the past year; highest scholastic average; Who's Who-Ann Jones, Doris Borgelt, Linda Duncan, Nancy Koupal; Homecoming Queen-Nancy Koupal, attendants-Susie Heimbuecher and Marilee Clark. SABIDURIA Queen attendant-Mary Lou Porter.

These things do we earnestly desire; a clear vision of life that with gracious and kindly hearts we may share both joy and sorrow and bring into living reality the sisterhood of women.

ALPHA XI DELTA

Those cold winter nights.

The Delta Zeta Creed

To the world,
I promise temperance and insight and courage,
To crusade for justice,
To seek the truth and defend it always;

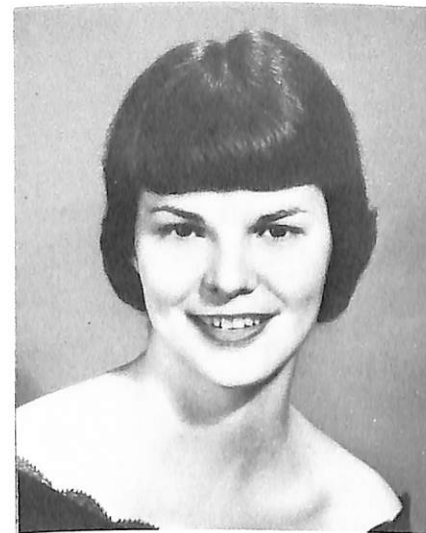

**To those whom my life may touch
in slight measure,**
May I give graciously
Of what is mine;

To my friends,
Understanding and appreciation;

To those closer ones,
Love that is ever steadfast;

To my mind,
Growth;

To myself,
Faith
That I may walk truly
In the light of the Flame.

Delta Zeta was recognized at Miami University in Oxford, Ohio, on October 24, 1902. The aims of the six young women who founded our sorority were, and still are, the highest a girl can hope to attain: unity of membership in bonds of sincere and lasting friendship, stimulation of one another in the pursuits of knowledge, promotion of moral and social culture, development of plans for guidance and unity in action.

Members of Delta Zeta were active in many campus activities this year. Joyce Morton was elected to Senior's Who's Who; Linda Fulghum served as President of Women's Student Government Association and Panhellenic Association and Treasurer of Humanics Club; Karen Otwell, Women's Vice-President of Humanics Club; Charlene Venator, Secretary of Student Senate; and Ruth Hamann, President of S.S.L.C. and a member of the school Constitution Committee.

Delta Zetas are also interested in sports and they won first place in intramural hockey. Janice Turner and Charlene Venator were

Varsity cheerleaders. Our girls also held membership in other campus activities as band, Senate, choir, S.N.E.A., dramatics, Women's Student Government Association, W.A.A., Volunteer Friends, the Delta and Sabiduria staffs, cheerleading, U.C.C.F., and Humanics.

Gamma Gamma achieved many scholastic honors this year. Frankie Steed became a member of Beta Gamma Phi; Maryland Fink is a member of Beta Beta Beta; Joyce Morton, Sigma Tau Delta. Kay Holland, Joyce Morton, Karen Rissler, and Frankie Steed were all on Dean's Honor List the fall semester.

Delta Zetas are queens! Joyce Morton served as Sabiduria Queen with another Delta Zeta, Maryland Fink, as one of her attendants. Olinda Creason and Charlene Venator were May Queen attendants.

Dr. Grace Yerbury, faculty advisor, and Judy Zircher, Chapter Director, assisted and guided our sorority this past year.

The 1963 Missouri Valley College Vikings started their season by dropping a thrilling 13 to 14 game to the College of Emporia Presbies, who completed their season with a record of ten wins and no losses; they finished in the top ten NAIA standings.

The Vikes gained their first victory by defeating the Huron College Scalpers 32 to 21 in a game played at Huron South Dakota.

The next stop was Graceland College and a 46 to 0 win over the Yellow Jackets, and the first MCAU Conference win.

The Vikings, having won from Graceland and Huron, took Central College, Appella, Iowa, too lightly and came out on the short end of a 7 to 19 score.

Coach Volney Ashford's Homecoming record remained unmarred as the Vikes defeated the Cardinals of the St. Mary's of the Plains College 42 to 0. It marked the twenty-fourth consecutive win at homecoming for a team coached by Ashford.

On Saturday night, October 19, the Vikes invaded Liberty, Missouri, to meet their old rivals, William Jewell College. The game was won by William Jewell by a score of 7 to 0. The only time the Cardinals were able to penetrate the 43 yard line of the Vikes was when they scored their lone touchdown. Although defeated, the Vikes outplayed the Cardinals as was shown

by the statistics.

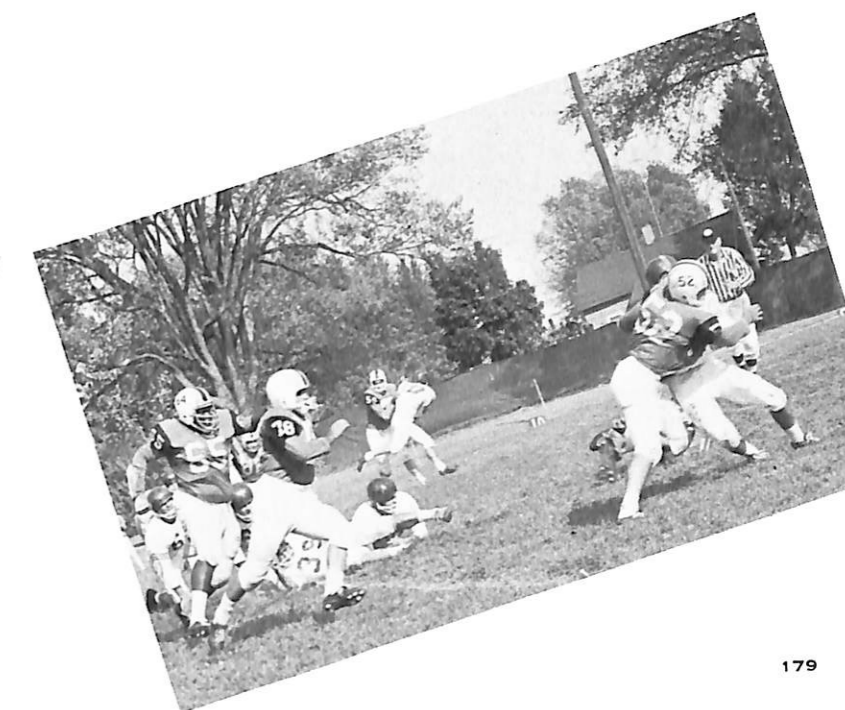

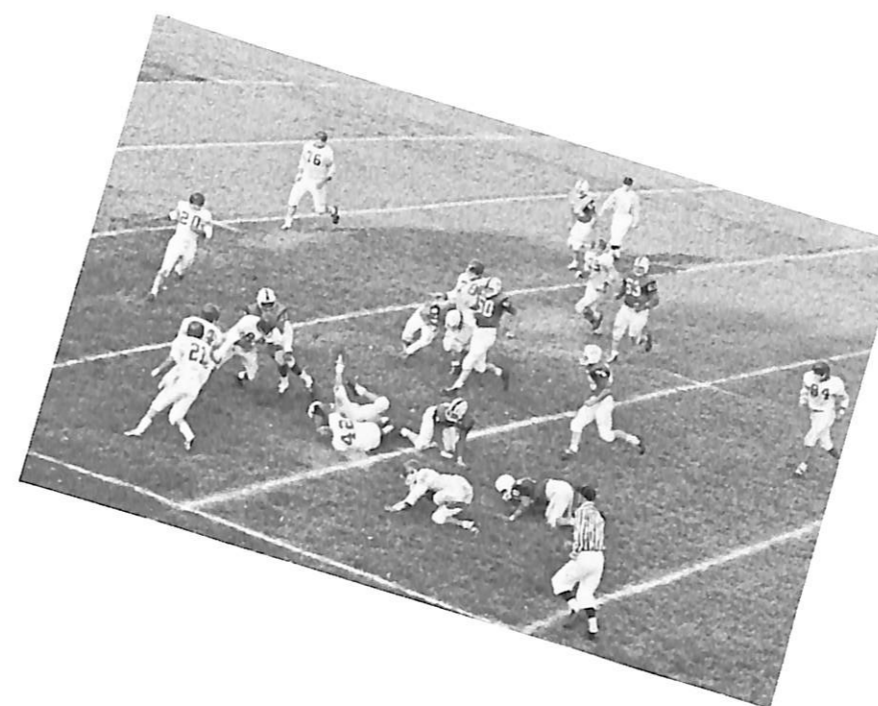

James Millikin University defeated the Vikings 27 to 20. After trailing by two touchdowns at the half, the Vikes came back to tie the score at 20 all only to lose in the last two minutes.

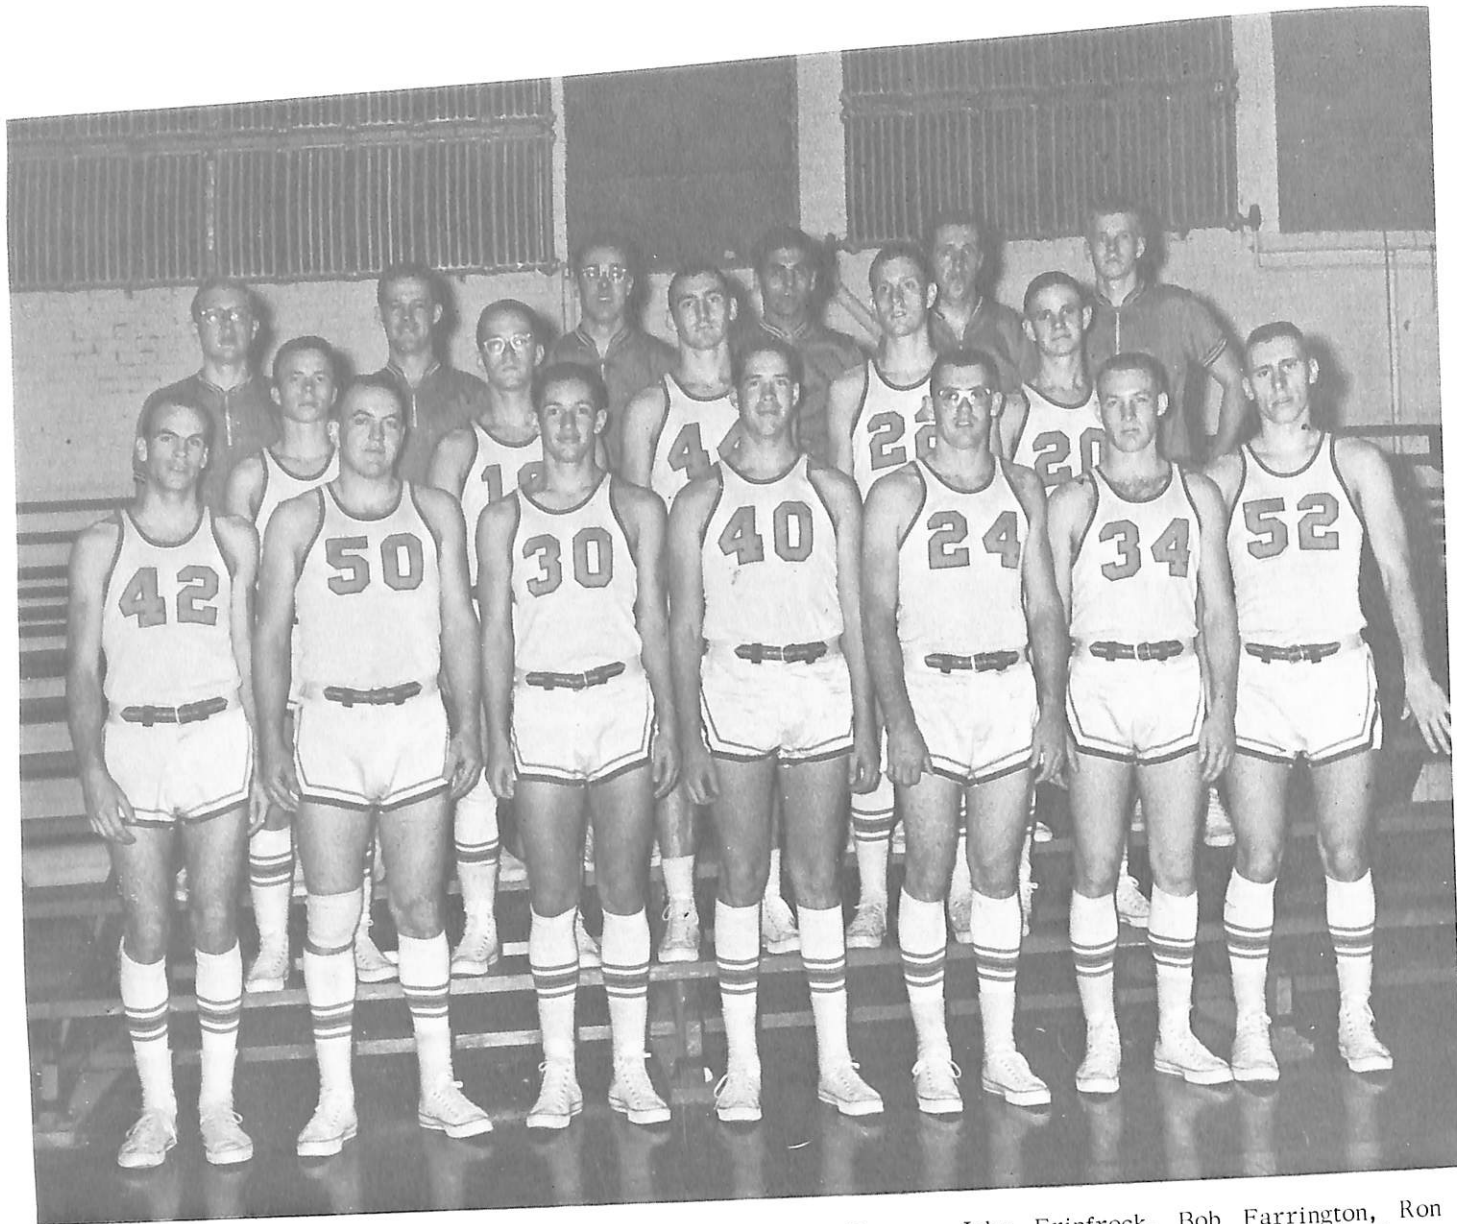

The Vikes defeated the Tarkio Owls 40 to 19 to gain a second place berth in the MCAU Conference. This game was closely played until the fourth quarter when Valley broke it wide open.

The 1963 season ended for the Vikes with a convincing 60 to 7 rout of Culver-Stockton Wildcats of Canton, Missouri.

The 1963 Viking team ended with a record of five wins and four losses placing second in the MCAU Conference. Although the record isn't too impressive, the Vikings displayed several fine performances as they gained over 500 yards total offense against four of their opponents. The Vikes finished in the top ten teams in rushing in the NAIA.

Valley will lose the services of twelve let-termen. They are: Jim York, Joe Avena, Wayne Howell, Ronnie Porter, John Milonski, Larry Crutchfield, John Ibarra, Bill Chambers, Dwain Hall, Gary Hunt, John Finrock, and Dick Ramey. Although we will lose these fine players, we are counting on a number of Freshmen, Sophomores, and Juniors to carry us to a great season in 1964.

We close the book with a look to the future. On the right are the pictures of the New Science Building and the three new fraternity houses that will have their start within this year. It is through these that the hope of the future for Missouri Valley lies. Its growth and prosperity will continue until it reaches its ultimate goal.

One cannot write a review of the past year without reflecting upon Friday, November 22, 1963. The day the President was shot. Through that day and that experience we all grew in some degree of maturity. In that time this country and the world proved they had a heart. May we one and all remember that day and those events and the lesson they taught. May we destroy the hate which seems to be so prevalent in these times. It is with reverent hope that this same lesson need not be taught again in such a fashion.

This is your book. We have tried to present a year's pictorial review. It is our hope that as the years pass the value of this book will also increase.
