A year of progress, a year of dreams

The 1991-92 academic year has been not only one of great progress, but also a year in which we have laid the foundation for further progress. We began the year with 58 full time faculty members, the largest number in the history of the College. The faculty have excellent academic credentials and 68% have work experience in fields related to their academic expertise.

Student enrollment surpassed the 1,000 mark for the fourth consecutive year with this year's 1,032 students being the second largest group in history. While continuing to be diverse in race, background and academic skills, this year's students demonstrated increasing academic vitality and will, we believe, continue our pattern of improvement in retention and graduation.

Athletics continue to play an important role in the life of the College. About 40% of our students participate in intercollegiate athletics. 1991-92 was a year of transition in our football program and yet we ended the season as the highest ranked defensive football team in the country. The women's soccer team and the men's basketball team both made it to the national playoffs, our women's soccer team finishing the season the second ranked team in the nation.

We are proud of the academic

emphasis of our athletic programs, and this emphasis was strengthened when, as President of Missouri Valley College, I had the opportunity to serve on a special committee on the future of the National Association for Intercollegiate Athletics. This group highlighted the NAIA's commitment to athletic integrity combined with academic excellence and raised a number of important issues to strengthen the academic benefits of athletic participation.

The biggest news of the year in athletics, of course, was the opening of the Georgia Robertson Burns Multi-Purpose Athletic Complex which includes the new Ashford Arena, recognizing the enduring impact of the legendary football player, Coach and Athletic Director, Volney C. Ashford.

This building is truly a dream come true.

We also set the stage for future dreams through our participation in a successful review of our academic programs by North Central Association's visiting accreditation team and through a new five year Strategic Plan for the College which was part of North Central Association's self-study process.

Many challenges remain and the role of colleges like Missouri Valley will never be easy, but with a strong faculty and staff, an exciting student body and a firm belief that God has called us to the special opportunities for service which Valley provides, we will continue to dream great dreams and seek to be faithful servants.

Dedication

Prof. David Dautenhahn

This, the 1992 Sabiduria, is dedicated to Professor David Dautenhahn for nearly 30 years of devoted service to Missouri Valley College.

David Dautenhahn began his career at Missouri Valley College by graduating from here in 1953. From there he got his Masters Degree in Mathematics from Vanderbilt.

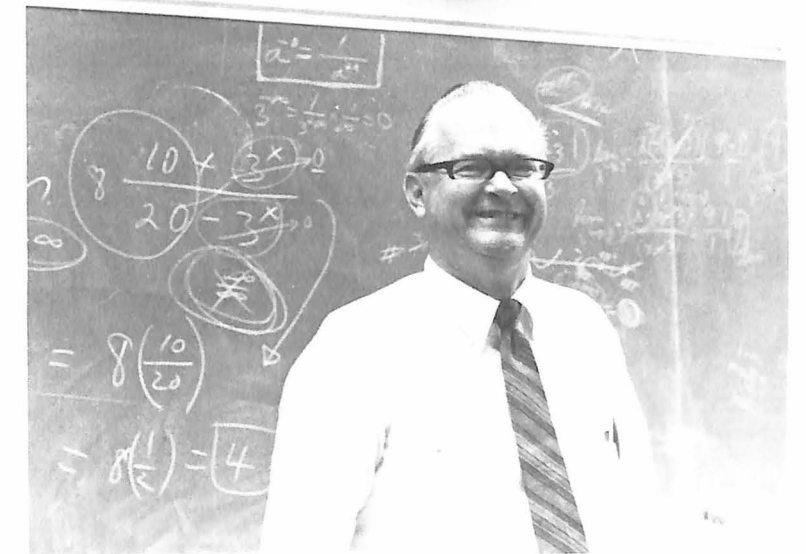

After receiving his degree, he went on to teach in Winfield, Kansas. After leaving there, he taught at the University of Missouri in Rolla for nine years. In 1965 he came to Missouri Valley College to teach mathematics and taught here until his retirement in 1992.

Back in 1951, his sophomore year at MVC, he was a charter member of the Chi Chapter of Sigma Zeta's Mathematics and Science Honor Society. During the late 50's Sigma Zeta became inactive. In 1967-68, with the help of Ed Leslie, the Sigma Zeta Chapter was re-activated. Mr. Dautenhahn served as advisor and National Historian in 1970.

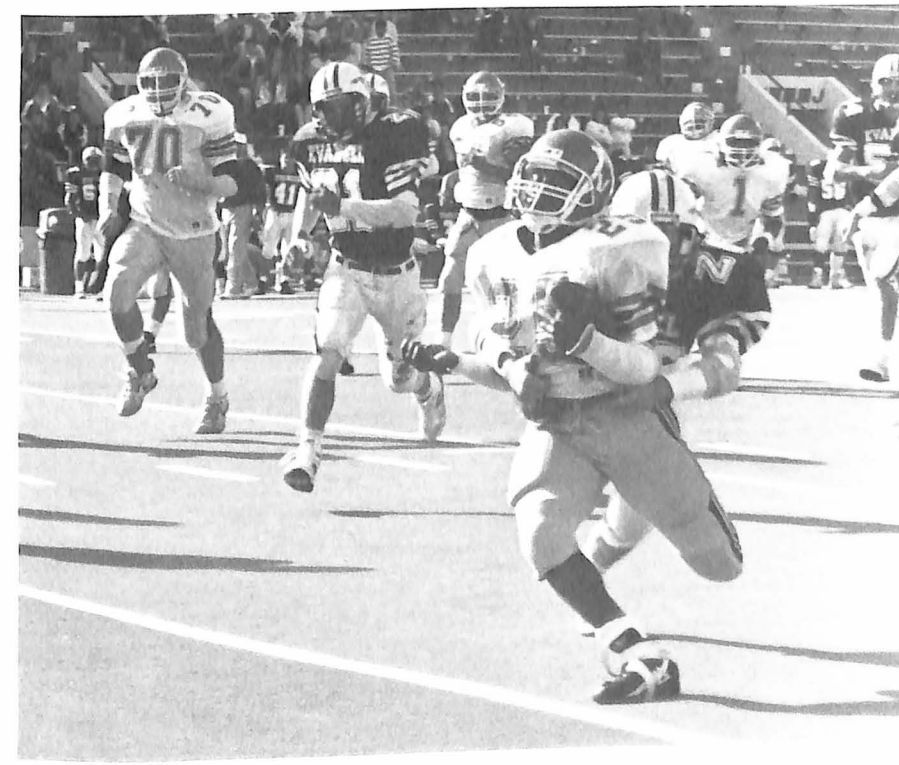

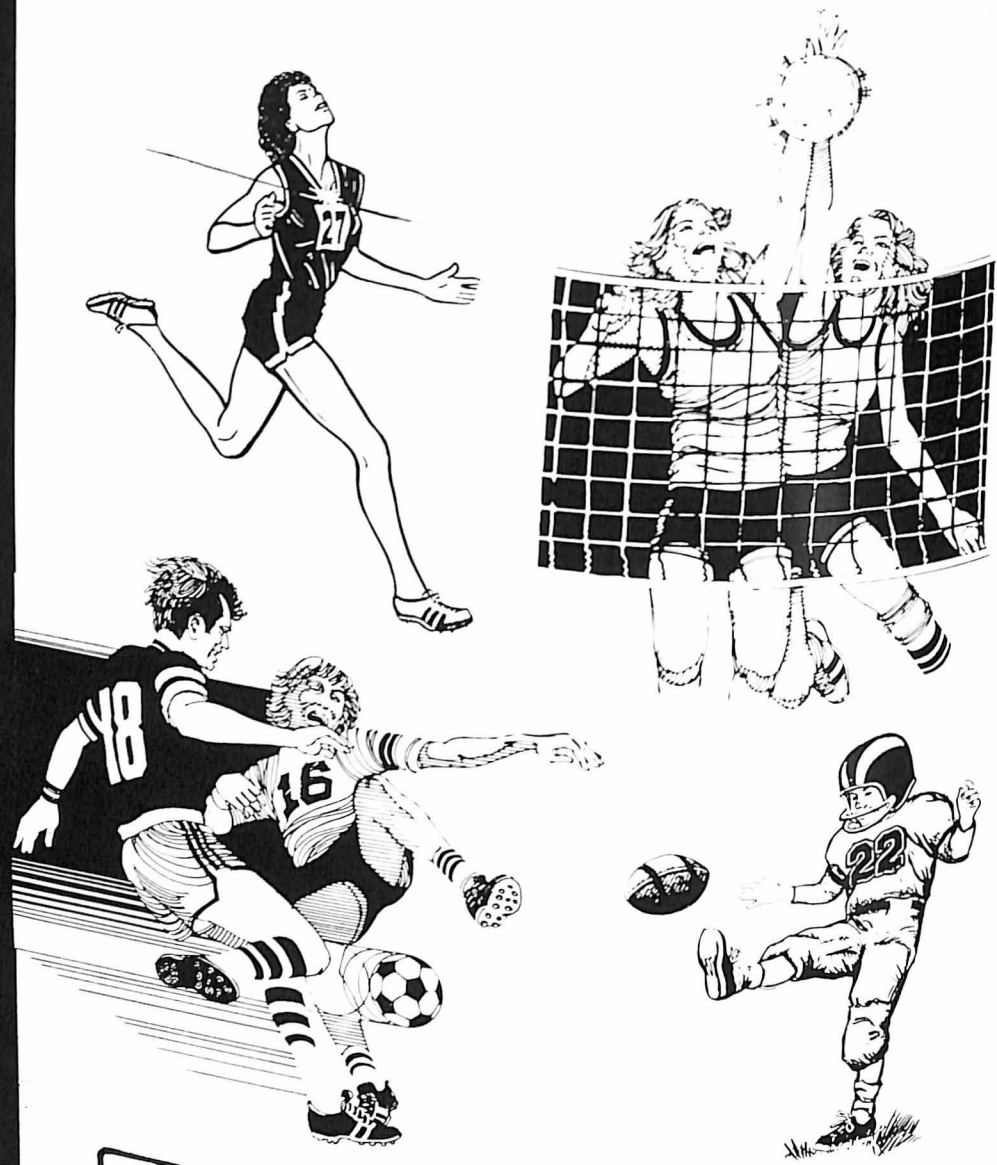

"David Dautenhahn cares so much about his students, and was always there to help his students outside of class," said Ed Leslie.

Prof. Dautenhahn contributed generously of his time to community service in Marshall while at MVC. Mr. Dautenhahn's hobbies include collecting bottles and fruit jars.

We would like to thank David Dautenhahn for the years he devoted to Missouri Valley College.

Vikings Set Gridiron Records

Records Set On Gridiron

The Vikings set the NAIA Division II national defensive record this year, setting in the process a conference record as well (50.8 yards per game).

Another first was set by Albert Macias, who was named NAIA Division II Football All-America Scholar-Athlete.

Johnny Dodge and Shawn Whitley were named NAIA Division II honorable mention All American.

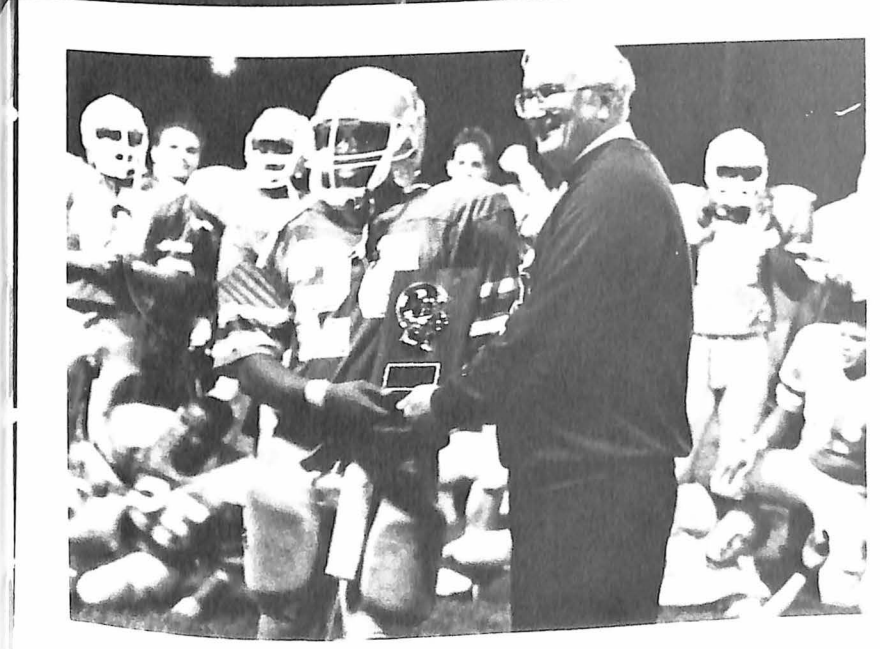

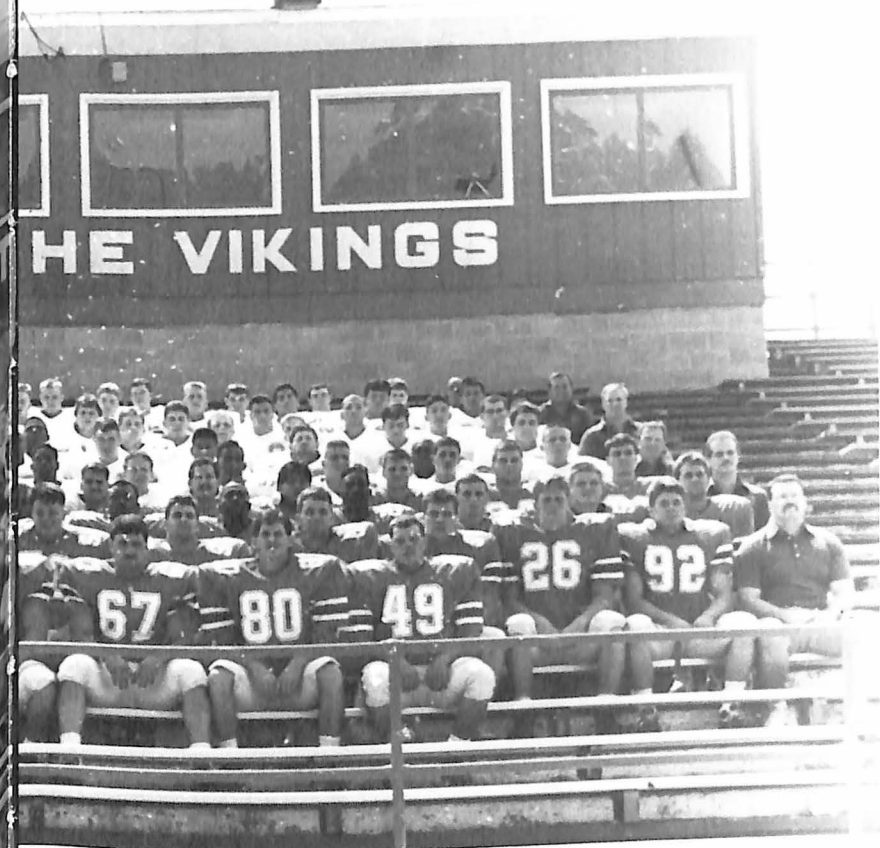

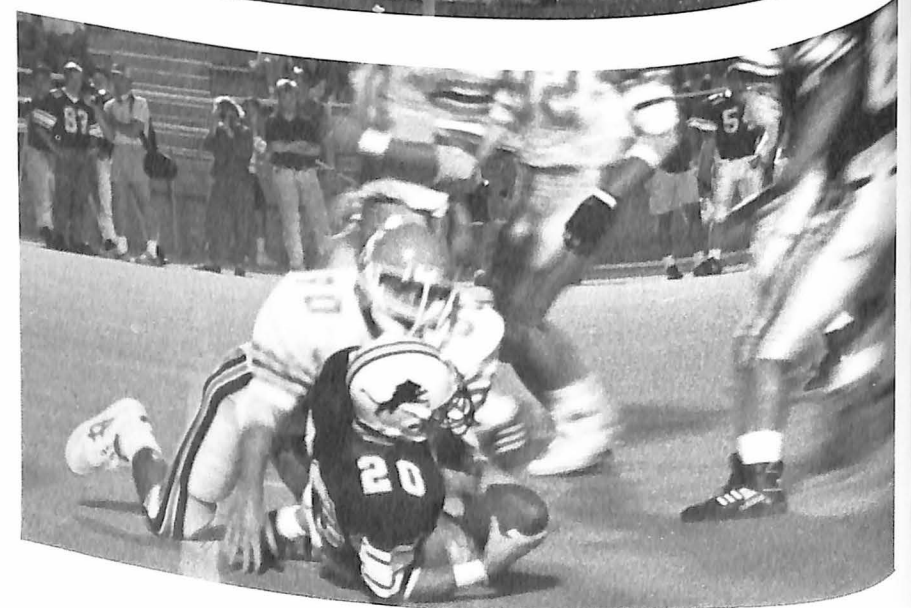

Head Coach Greg Purdum, in his fifth year coaching at MVC, said, "The conference schedule was tougher than I thought and so was the competition, but the team got better every week, which helped us come out with the number one defense in the nation."

Ending with a 4-6 record, the team switched to using the option this year. Coach Purdum says he expects and looks forward to a winning season next year with many veterans returning to the MVC gridiron in 1992.

Coach Purdum states, "Being Athletic Director, I strived to carry on the great Viking spirit and tradition."

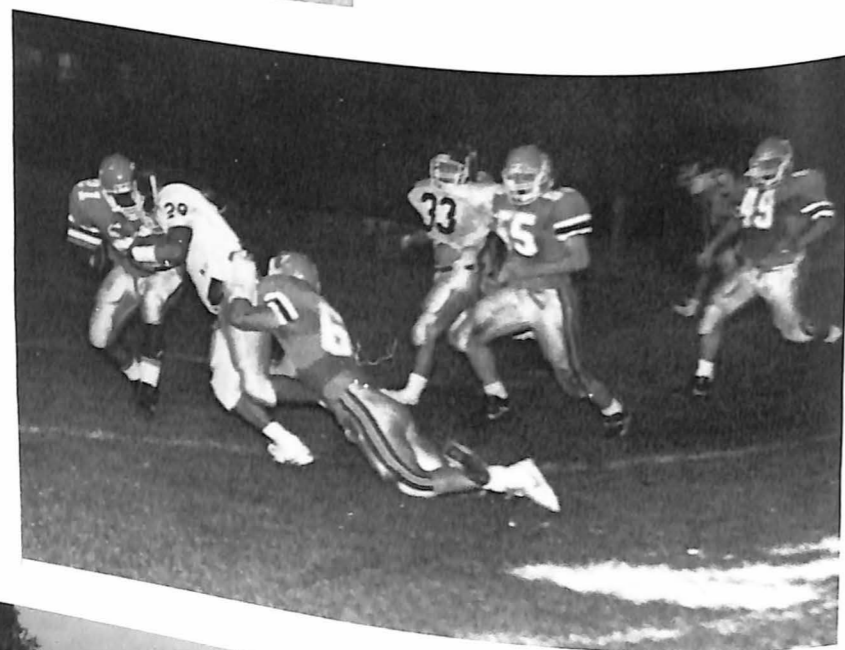

Coach Purdum praised the dedicated assistance of coaches Kepner, Grage, Cox, Ricono, and Doolan.

Lady Vikings hit big time

Number 2 in Nation!

Knocking off number one seeded Barry College after whipping Seton Hall in the nationals, the Lady Vikings played for the national championship in Boca Raton, Fla.

The Lady Vikings have been playing for only six years, but nevertheless they battled Pacific Lutheran University, but lost.

Several MVC players were recognized for outstanding tournament play. Captain Anita Mose was named all-tourney goal keeper.

She was also named best defensive player in the tourney.

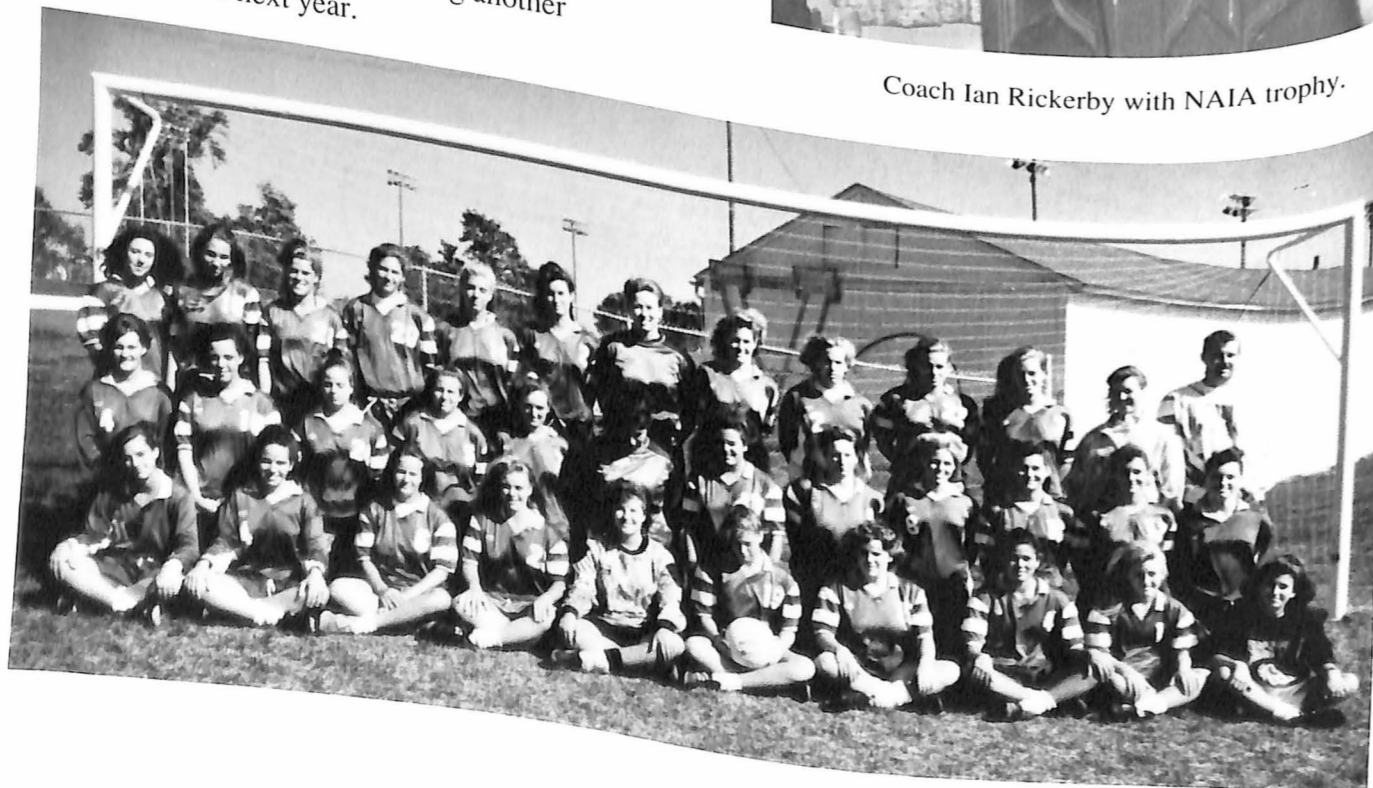

Freshman Suzanne Wentz was named all-tournament fullback, and Cindy Bowman and Captain Lisa Stockert were named all-tournament forward and mid-fielder.

The Lady Vikings ended the season with a 20-4-1 record.

Head Coach Ian Rickerby credits the team's spirit and dedication for its outstanding season and is looking forward to fielding another excellent team next year.

A young Viking varsity men's soccer team turned into a winning season fo 91-92, even qualifying for the NAIA District 16 Playoffs.

Head soccer coach Carl Hutter, Jr., expressed pride in his young team, noting that Junior forward Matt Murphy was the only upper classman this year.

Several players received regional, district, conference, and team honors.

Eric Lanzafane was named to the National Soccer Coaches' Association of America, All Midwest, NAIA All-district, all conference team. He was also dubbed the team's co-most valuable defensive player.

Picked All-conference also was Geoff Balkcom(co-MBP defense, as well).

Doug Fenstermacher (ten goals) and team Captain Andrew Latham were named All-district and All-conference players.

Latham was selected MVC's MVP.

Keith Pohl gleaned the most improved player honors.

WHO COACHED THE JV TEAM?????

The Viking junior varstiy team finished a tough schedule with a .500 season.

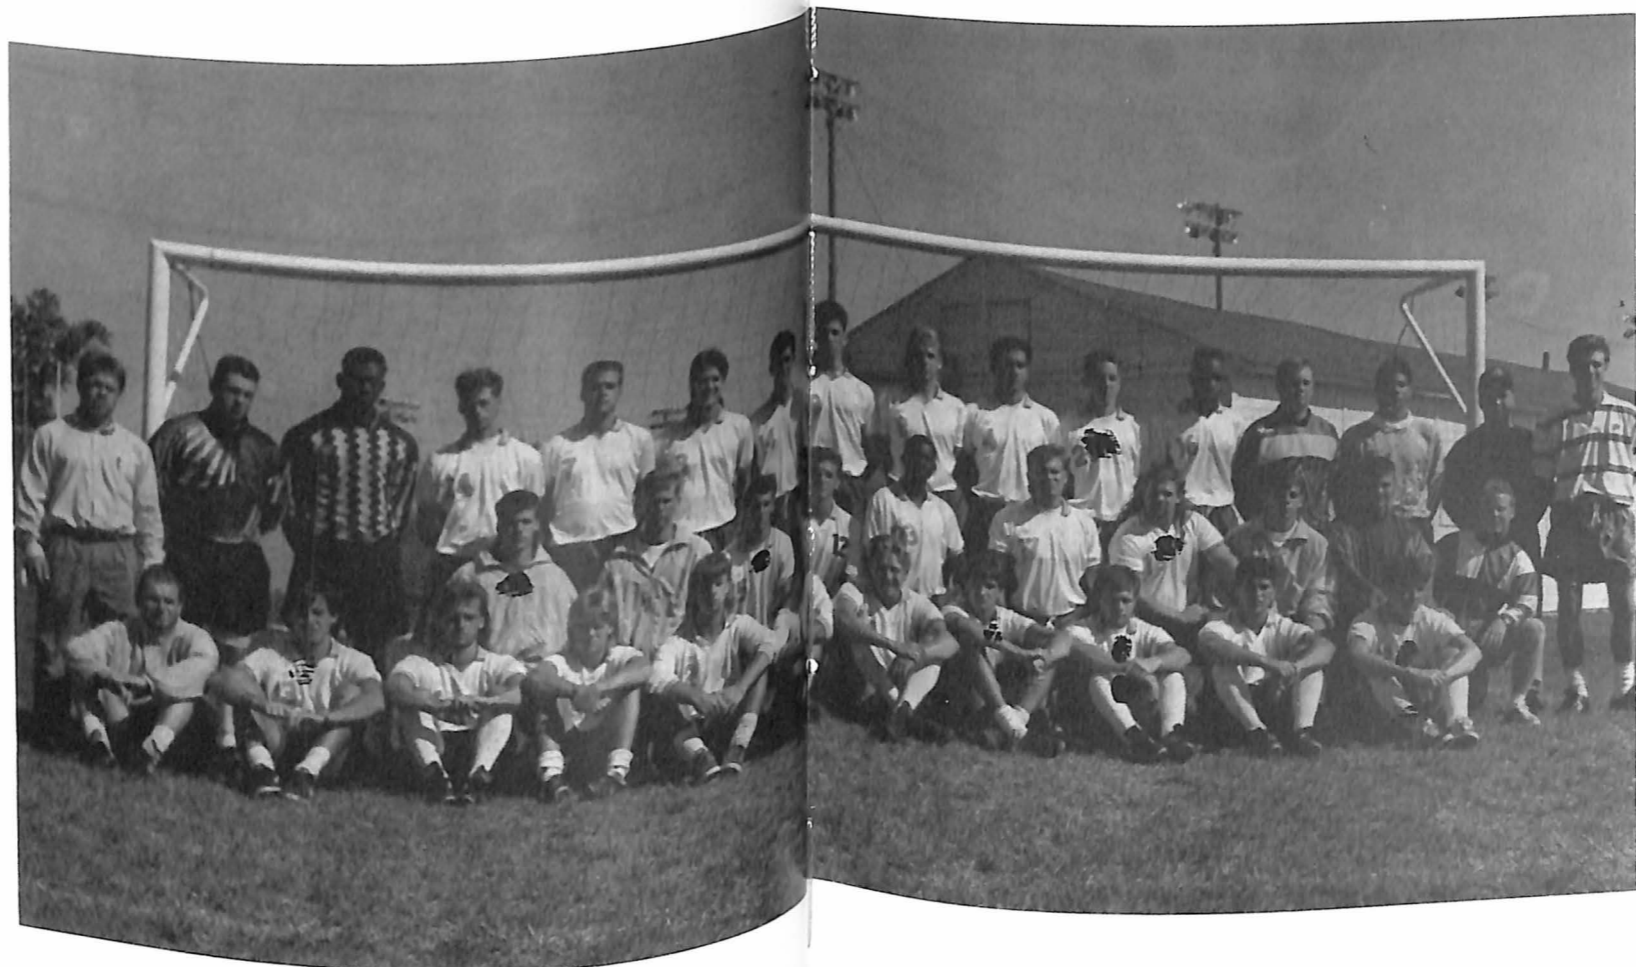

Coach Hutter predicts, "With the strong nucleus of returning players and an excellent recruiting year, the men's soccer outlook at MVC in optimistic for th 92-93 season.

Lady Viking Spikers Have Solid Season

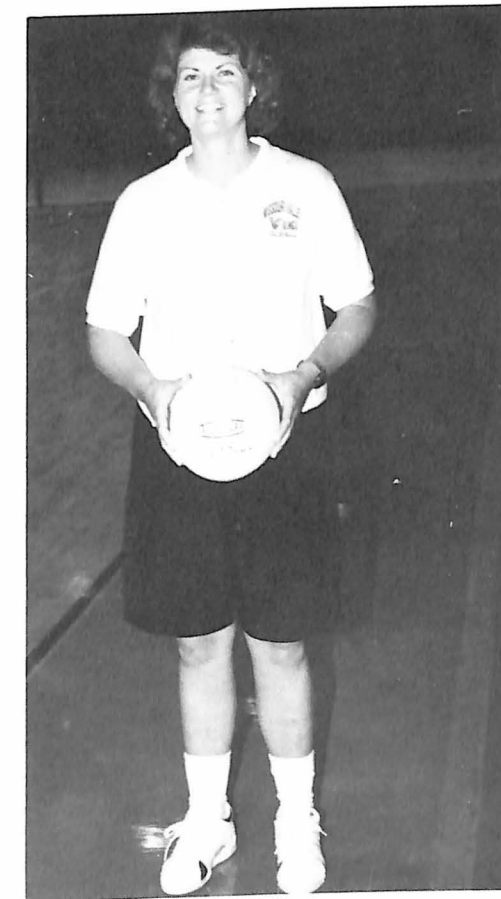

Turning in a 21-24 season and placing fourth in the conference, the youthful Lady Vikings performed above early season expectations, even placing the sole senior, Kelly Murphy, on the all-conference team.

Head coach Dixie Wescott credits Murphy with being the team's inspiration this year. Sophmores Eve Christophersen and Mindy Steege also helped lead the team, being named honorable mention all-conference. Steege landed on the all-tournament team at the Rockhurst and William Woods tournaments.

Coach Wescott praises standout Mimi Williams for her assistance and contributions to the hard-driving, young team.

She predicts an even better team next year with a more seasoned makeup, mentioning Vonetta Brown and Machozi Todd, JV standouts.

Coach Wescott praised the devoted work of assistant coaches Elaine Pika and Yolanda Beasley.

Missouri Valley Cross Country on New Course

Missouri Valley cross country standout Steven Brooks from Great Britain attained All-American status this season, placing 21st of 360 runners at the NAIA National Championship meet.

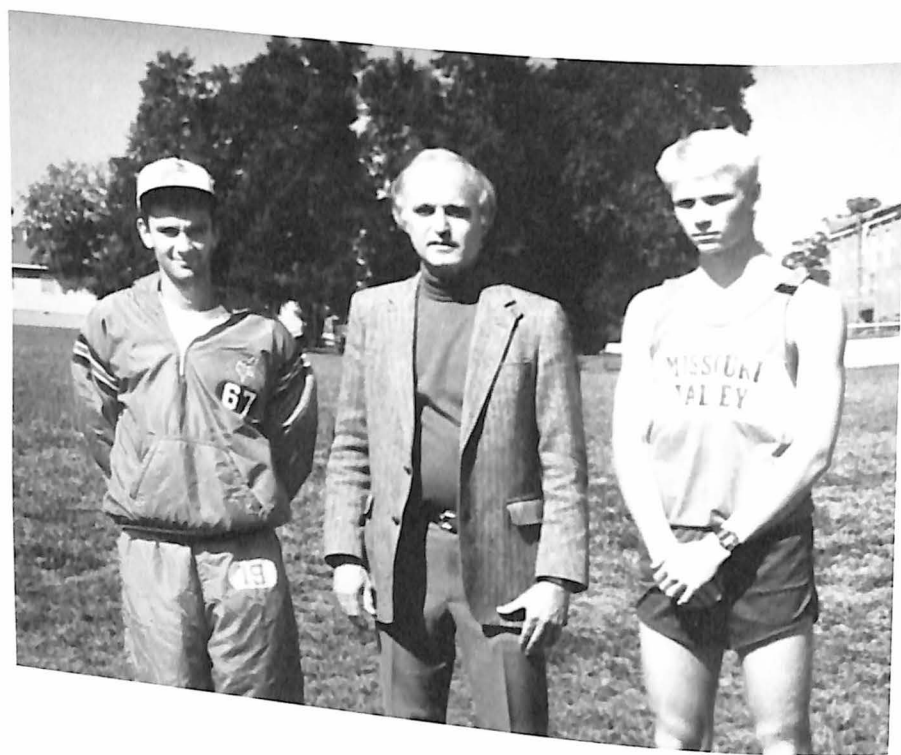

Brooks and Gary Marbley were named All-conference in the 1991 Heart of America Athletic Conference, adding even more prestige to the small and young team, composed of them and Chris Essick, Chris Giblin, Albert Hayton, Marc Marcoubrie, and Chris Robinson.

Missouri Valley College's new cross country course was put into service this year, marking yet another completed improvement program for the athletic facilities at MVC.

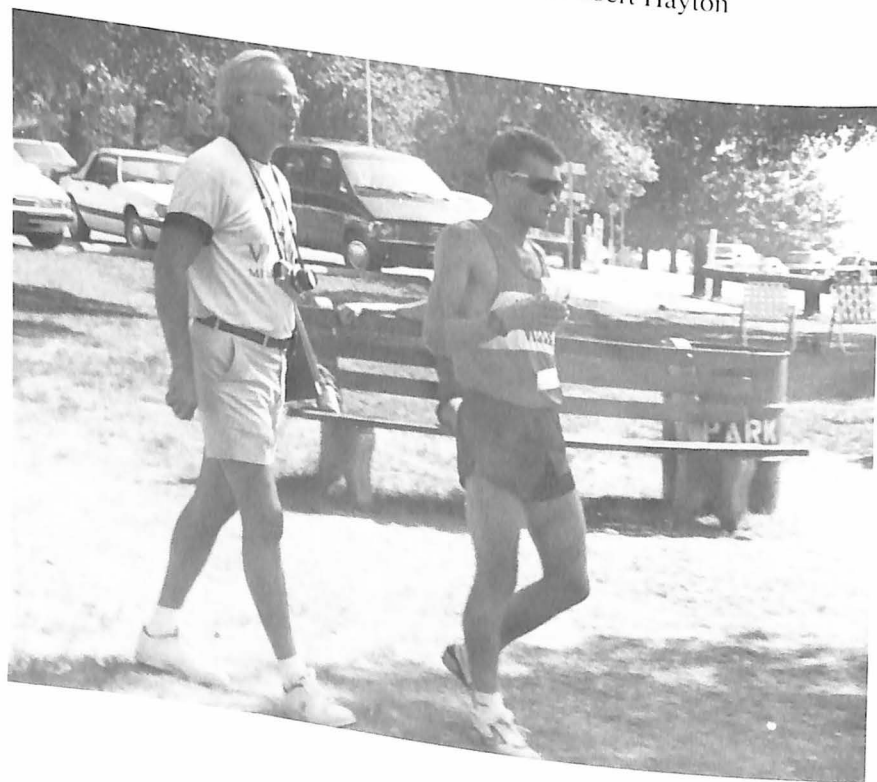

Coach Ed Leslie, most pleased with his team's performance this season, says he anticipates its getting stronger year-by-year and cited its returning strength and new recruits.

The 1991-1992 year brought in a few changes concerning cheerleading. This was the first year that Missouri Valley College had separate cheerleading and pom pom squads.

The MVC cheerleaders stayed busy over the past couple of years while keeping spirits high and showing their support for Viking athletics. Cheerleaders performed at varsity football and basketball games. They also showed support at Valley soccer games and wrestling matches.

The '91-'92 squad was under the direction of advisor Leanne Booth; head cheerleader, Charles Griffin; and Tonya Hockaday.

Along with the cheerleaders, the MVC pom pom squad got into the action as a separate group. The squad did performances at halftime of the Viking football games along with some performances at Viking basketball games. Leanne Booth was also in charge of pom pom squad.

Members of the cheerleading squad were Tonya Hockaday, Susan Spangler, Kim Stranmeier, Candy Hayes, Mindi Trenary, Cyndee Randall, Valeri Montcalm, Jane Ann Smith, Meme Todd, Voretta Brown, Leslie Hermann, Tami Lacore, and Tanysha Donaldson.

Members of the pom pom squad were Lisa Schmeding, Lori Ruff, Denise Hall, Christie Carter, Stephanie Witthar, Angel Gambino, Kristen Tillet, Bonnie Smith, Shelia Ray, Rochelle Ward, Angie Hillerman, and Michelle Denooyer.

The male members of the cheerleading squad were Charles Griffin, Rick Baily, Pat Kielty, Jared Frye, Chris Reyes, and Andy Feller.

Lady Vikes looking to future

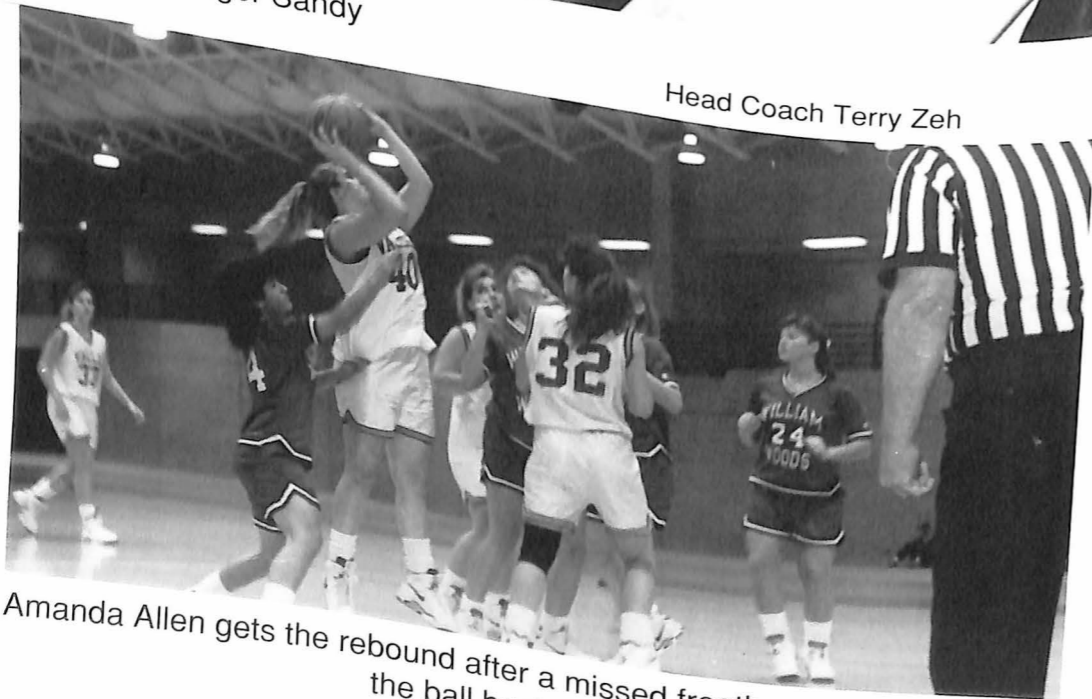

The lady Vikings basketball team's record did not reflect the the closeness of many hard fought battles. The team consisted of only two seniors. A lot of underclassman had to step up for their first year of varsity action. Seniors Deedra Hollman and Sherrie Blackburn displayed commendable leadership in helping with the spirited team.

Individual awards went to Angela Werne, first team All-HAAC, , along with Sherrie Blackburn, honorable mention All- HAAC. Both players were named to second team All-District 16.

With head coach Terri Zeh and assistant coach Elaine Piha leading the way, Valley players included Nicole Guidry, Desire Delano, Deedra Hollman, Sherrie Blackburn, Julie Custer, Chris McGinnis, Bonnie Rego, Angela Werne, Melody Giorgi, Michelle LaPlant, Missy Chapman, Amanda Allan, Gabrielle Boeck, and student manager Sandy Paulus.

Vikings go 23-11

The 1991-92 Missouri Valley Varsity Basketball team capped off its season with a trip to the NAIA National Tournament held in Stephenville, Texas. Although they lost in the first round, they ended the season with a 23-11 record.

Leading the Vikings to a second place finish in District 16 and a third place finish in the Heartland of America Athletic Conference were Clarence Carter and Larry Cooke. Both made 1st team All-District and All-Conference. Carter, a senior from Bartlesville, Oklahoma, led the Vikings with 17 points per game followed by Cooke's 13 points a game. Thomas Foster made honorable mention All-District while Andre Lee made the All-Conference honorable mention list.

Wrestling Team Back at MVC

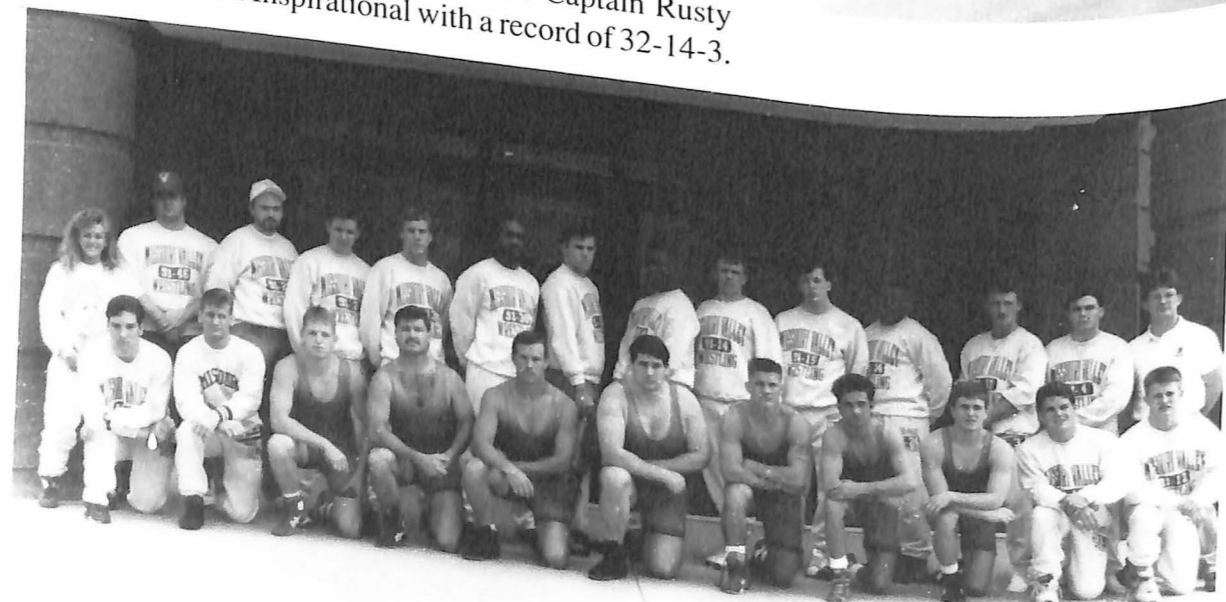

The Vikings return to the wrestling mat after nineteen years of being absent from Missouri Valley College.

Coach Carl H. Hutter, Jr., and assistant coach Michael Mackholz combined their recruiting talents and put together a very strong nucleus of athletes.

The team competed against a top level schedule, facing many of the nation's best wrestlers. Our wrestlers qualified seven team members for the National Association of Intercollegiate Athletes (NAIA) tournament and four of them were named to the All-American team. All-Americans were Soph.-Chad Stewart- 126 lbs., Jr.-Jimmy Edwards- 150 lbs., Jr.- Mokie McGee- 158 lbs., and Sr.- Rusty Roark- 167 lbs.

As a team the mat men finished 14th nationally and compiled 17 wins and only 7 losses in dual meet competitions.

Individual honors went to team Co-Captain Jimmy Edwards with Most Valuable Wrestler having a record of 34-10. T.J. Manor recieved Most Improved and recieved the Most Pins award with 13 falls and a record of 18-17. Co-Captain Rusty Roark was awarded Most Inspirational with a record of 32-14-3.

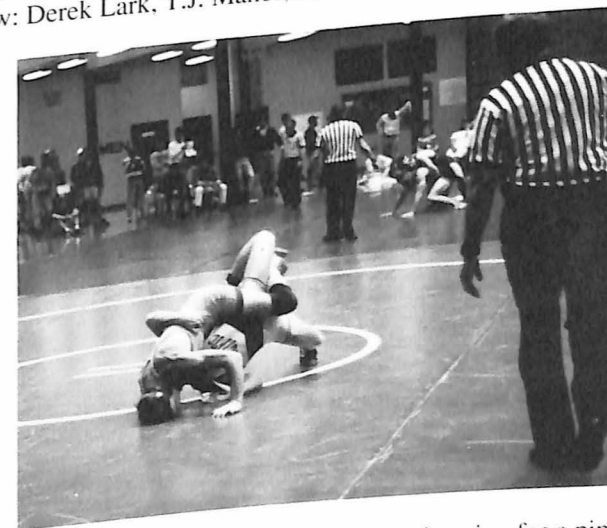

Front row: Jeff Loyd, Mike Frizzell, Dereck Lark, Rusty Roark, Jimmy Edward, Randy Foraman, Mokie Meghee, Chad Stewart, T.J. Manor, Phil Baird, Mike Clawson. Back row: Amy Veirs, Jimmy Hinzer, Mark Frye, Eric Marshal, Kevin Fowler, Wylee Welch, Howard Pariman, Michelle Steveson, Greg Stahl, Jeff Osia, Ferrence Barton, Anthony Zullo, Sean Terryberry, Assistant coach Mike Machholz.

Mokie McGhee wins his match against Greg Schwartz of Minnesota Morris at the National Tournament.

Getting ready for his match with number two seeded Lee Macdiarmid of Central Washington, Chad Stewert looks to get an upset victory. Stewert pulled off the upset with an 8-4 win.

Men win HAAC; women excel in track

The 1991-92 track season for MVC was very rewarding, to say the least. The men's track team won every meet they entered, in addition to scoring over 200 points in each meet. In the HAAC Indoor meet, the men's team placed first with 200 points, followed by Graceland's 116 points.

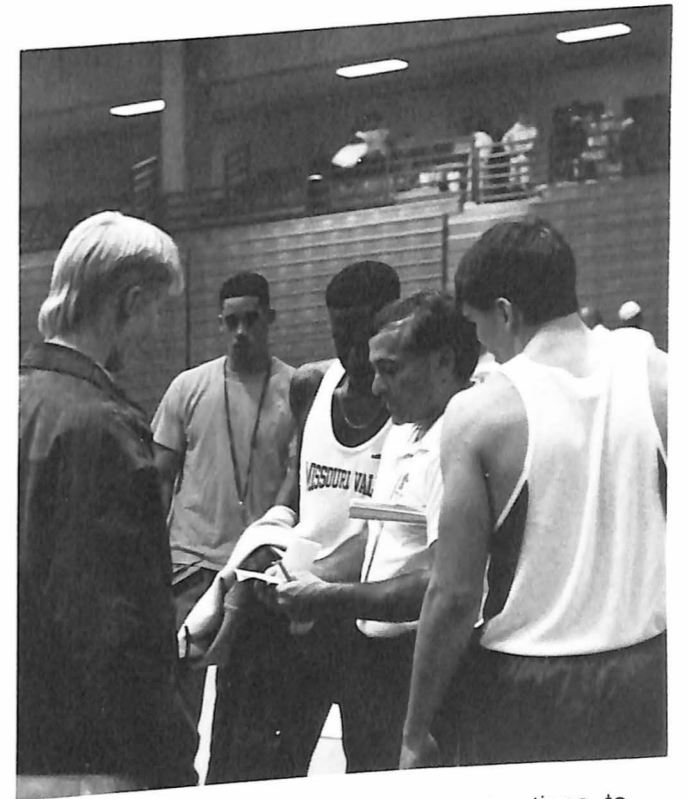

The women's team placed second behind Graceland.

The District XVI indoor competition was successful for the men as they ran away with the title with 218 points, followed by Park's 137.

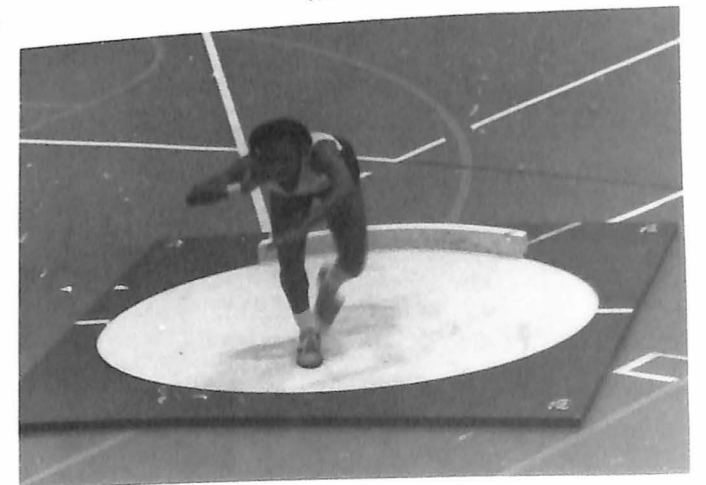

In the HAAC outdoor meet, the men finished with a remarkable score of 231 with Baker in a distant second with 112 points.

In women's competition, Valley finished second once again to Graceland. In the District XVI meet, the men finished in first with the women placing second.

Earning All-American status were Steven Brooks in the three-mile, James Booker in the 55 meter, and Mimi Williams for the triple jump. The 1991-92 year had many record breaking performances. In the men's long jump, Kevin Shipe leaped 23 feet two inches. In the 100 meter, James Booker set a record with a 10.58.

Head track coach Jim Cox gives instructions to his team.

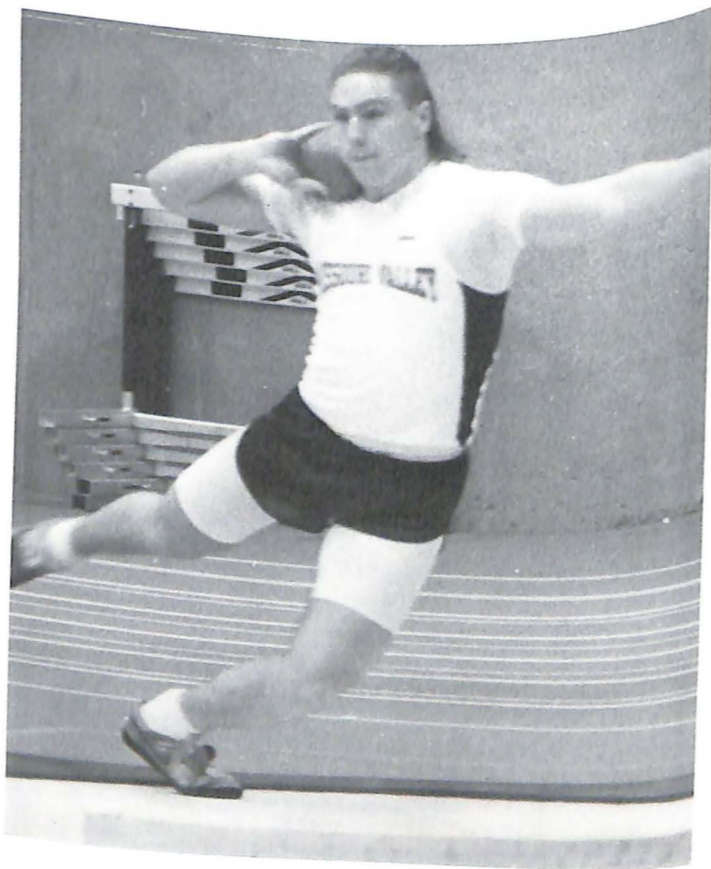

Yolanda Beasley gets prepared to throw the shot put at the conference meet.

Getting some air is Valley's Chris Roberson in the long jump.

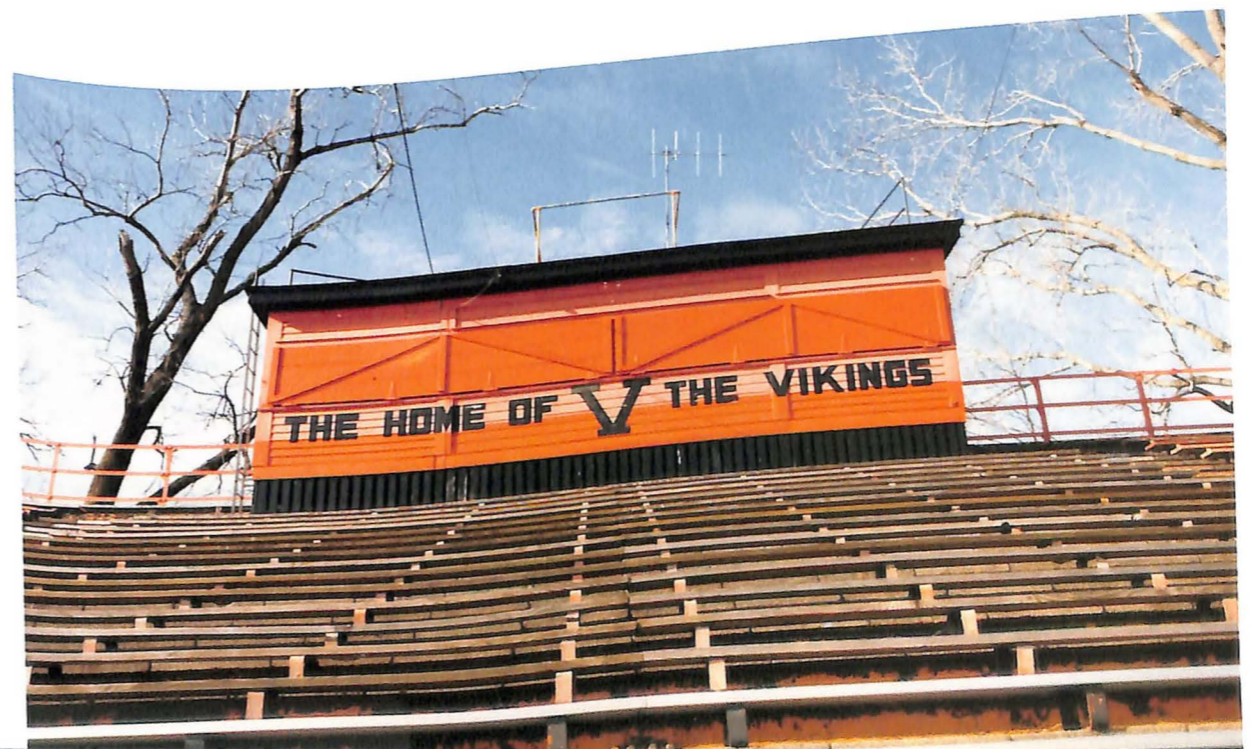

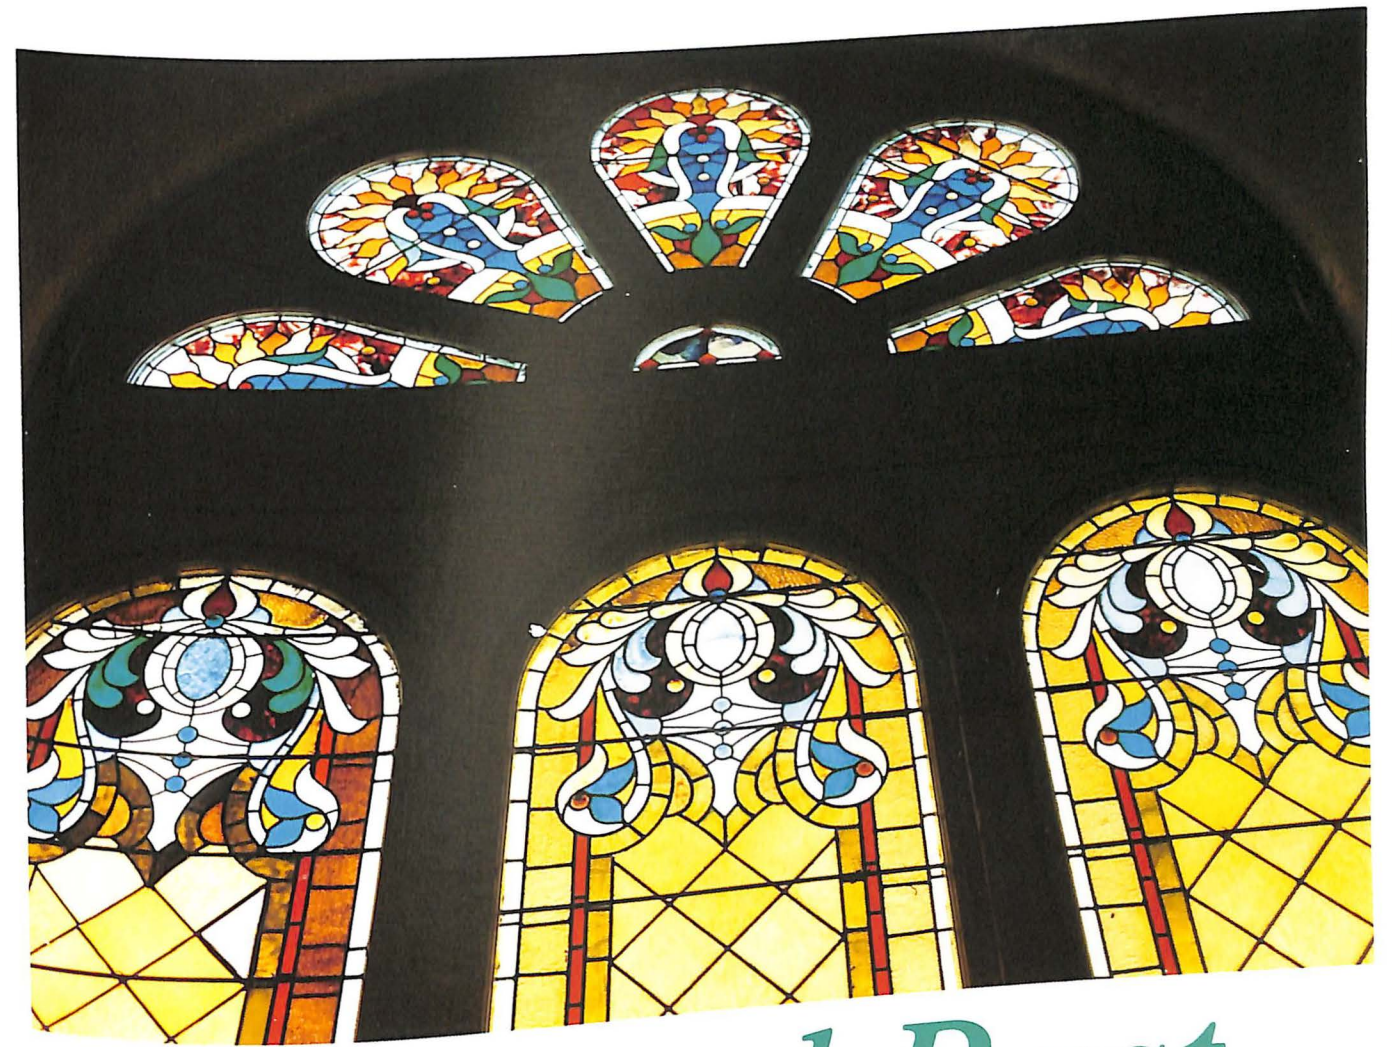

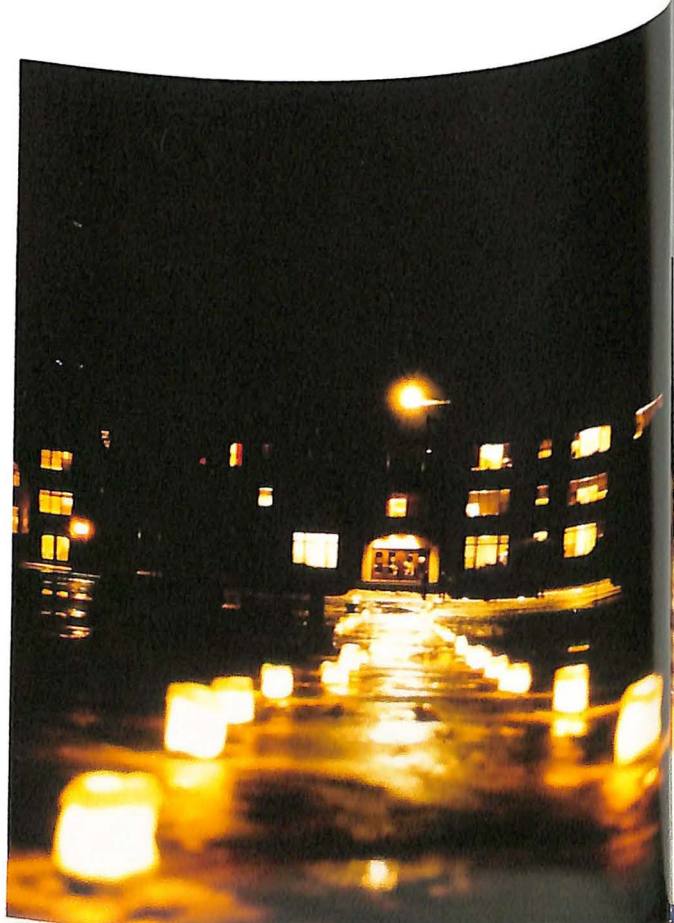

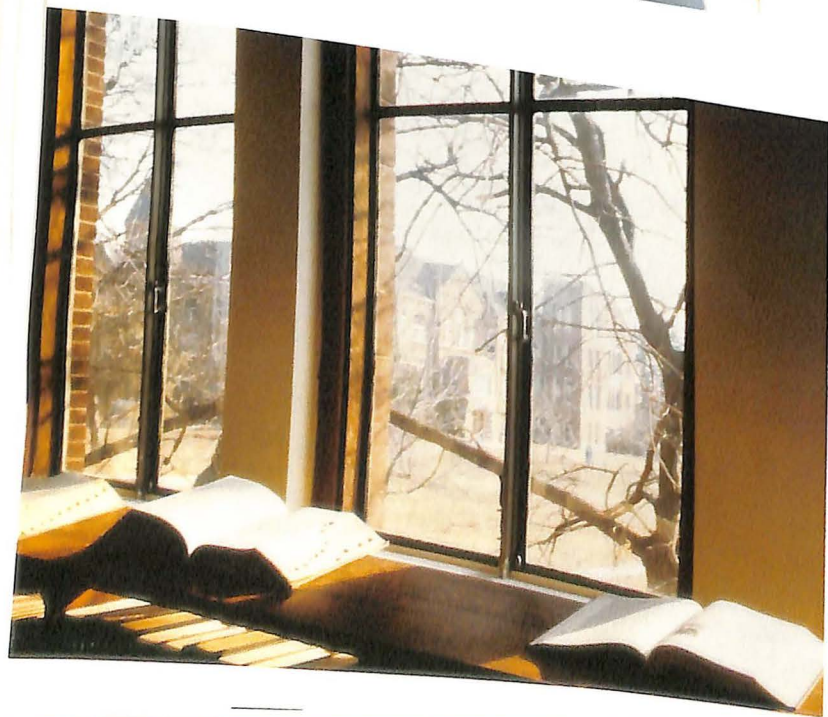

Valley's Chris Essick tries to make it to the finals.

Giving it all he's got for Valley is Nick Awalt Thompson.

I.C.C.

The International Cultural Club was formed so all students from nations around the world would come together, with the intention of attaining intercultural understanding. Our goal is to bring different cultures together to advance understanding and create harmony through knowledge and common experience, as well as bringing together community.

In November they held a reception so that members of the organization could be introduced to the community and share the diversity of their cultures through song, dance and refreshments.

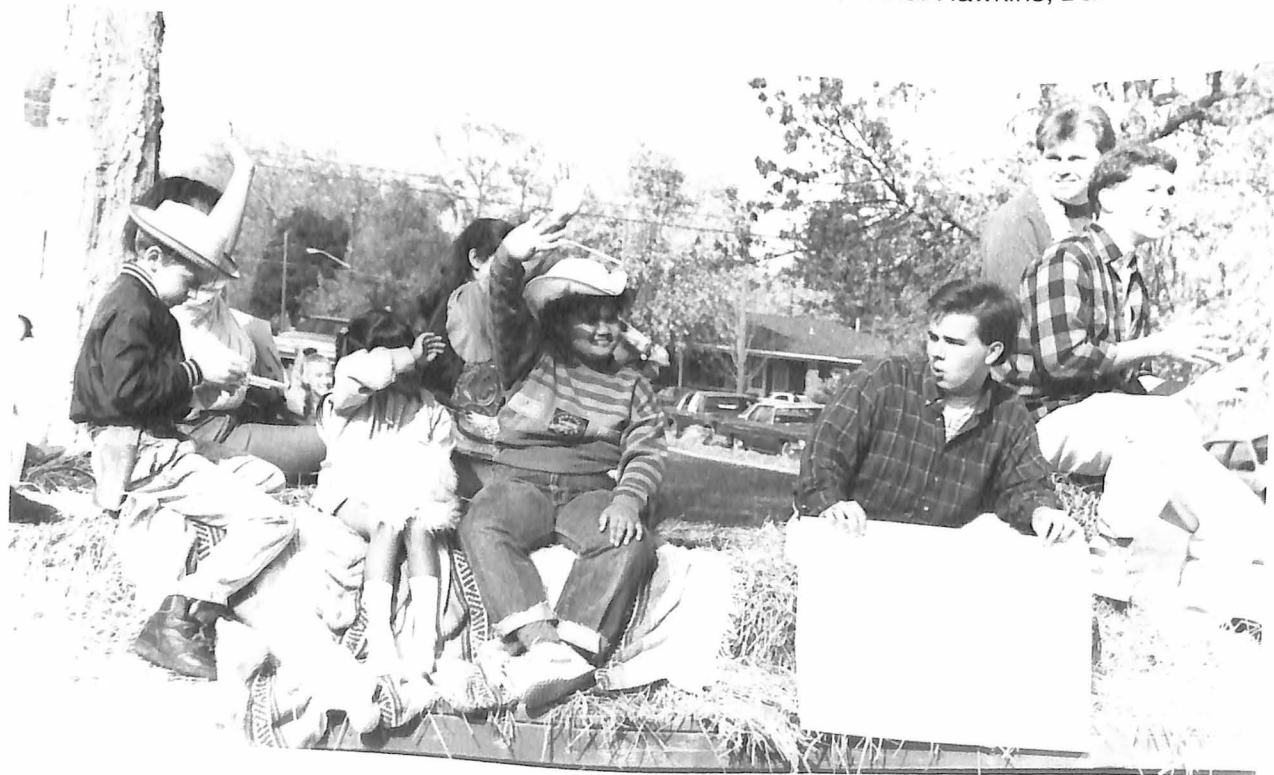

In the future, through the organization they hope to reach an understanding in Cultural differences and ultimately achieve a sense of solidarity and harmony in a world of difference.

Highlighting the season was a second place finish in the Westminster Invitational at Fulton, MO. Kevin Smith was the top runner for the Vikings in '92. He finished ninth among individuals in the conference meet at Liberty, MO. The Lady Viking harriers were fourth overall in the HAAC and their top performer, Johane Joseph, finished 18th overall in that conference meet.

MEN'S SOCCER

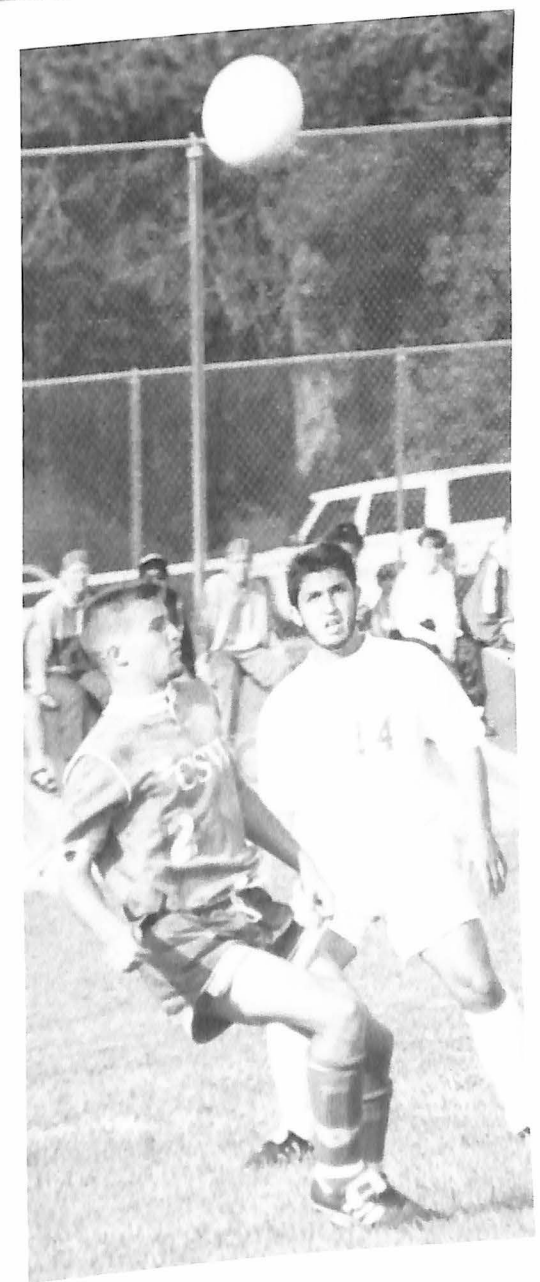

The 1992 Men's Soccer Team Reigned As Champions of the Heart of America Athletic Conference

The 1992 season was the best ever for Missouri Valley College men's soccer. The Vikings posted a final mark of 14 wins, 4 losses, and 2 ties. They also captured their first conference crown in this fall sport.

The Vikings had triumphs over two Top 10 teams, Baker University, and Sangamon State of Springfield, Ill. MVC lost to Rockhurst College of Kansas City in district semifinals.

Doug Fenstermacher and Rodney Bratcher led the Vikes in scoring and they also made the all-district team along with teammates Geoff Balkcom and Matt Murphy.

WOMEN'S SOCCER

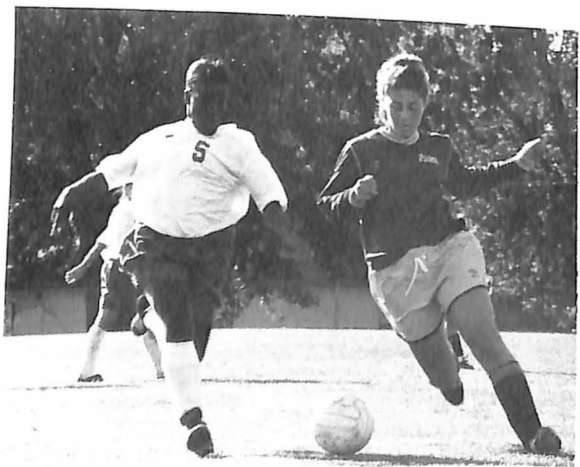

Lady Viking Soccer Team Had Another Winning Season

The Lady Vikings fell short of a repeat trip to national playoffs in 1992 but did have a very respectable season of 12 wins, 6 losses, and 1 tie. They drew a first round bye in the district playoffs and then lost to Lindenwood, 2-1, in the second round.

MVC women's soccer team was 6-1 in regular season action against district opponents. Although women's soccer is not an official sport within the Heart of America Athletic Conference because just four of the nine member schools have varsity teams, the Lady Vikings were triumphant in all of their HAAC encounters.

Two of their losses were to NCAA Division I schools, Arkansas-Fayetteville and Arkansas-Little Rock, and the tie came against another Division I foe, University of Tulsa.

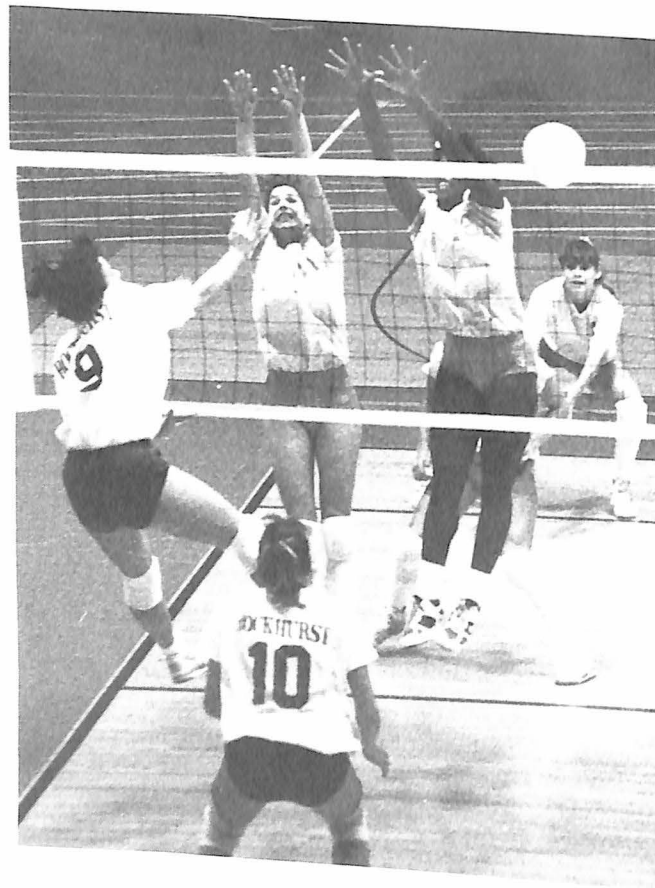

Three Lady Vikings — Lisa Stockert, Patti Callahan, and Kelly Clune — were named to the all-district team in 1992.

WOMEN'S VOLLEYBALL

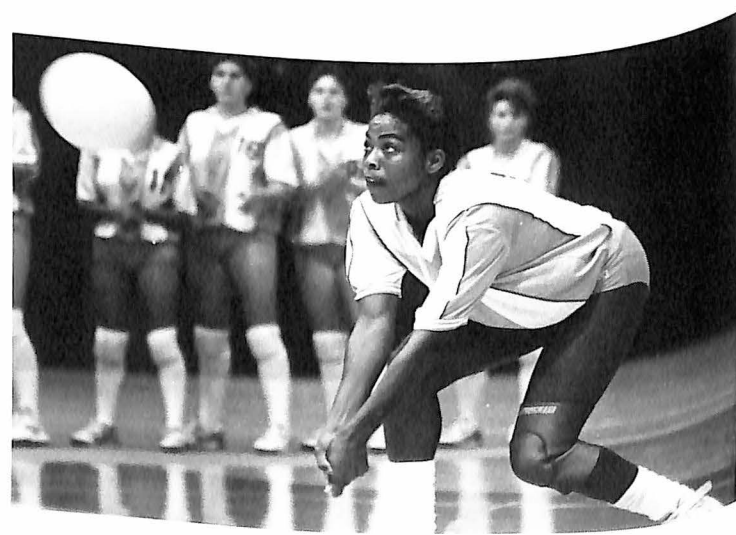

The best record ever by an MVC volleyball team, 40 wins as compared to 18 losses, was the main achievement for the Lady Vikings in the 1992 campaign.

This team also had a first-ever by qualifying for district play. During the course of the season, the Lady Vikes placed second in three tournaments, including the Heart of America Athletic Conference event.

Mindy Steege and Machozi Todd were all-conference selections and honorable mention recognition in the HAAC went to Eve Christoffersen and Marette Grage.

BIG TURNAROUND

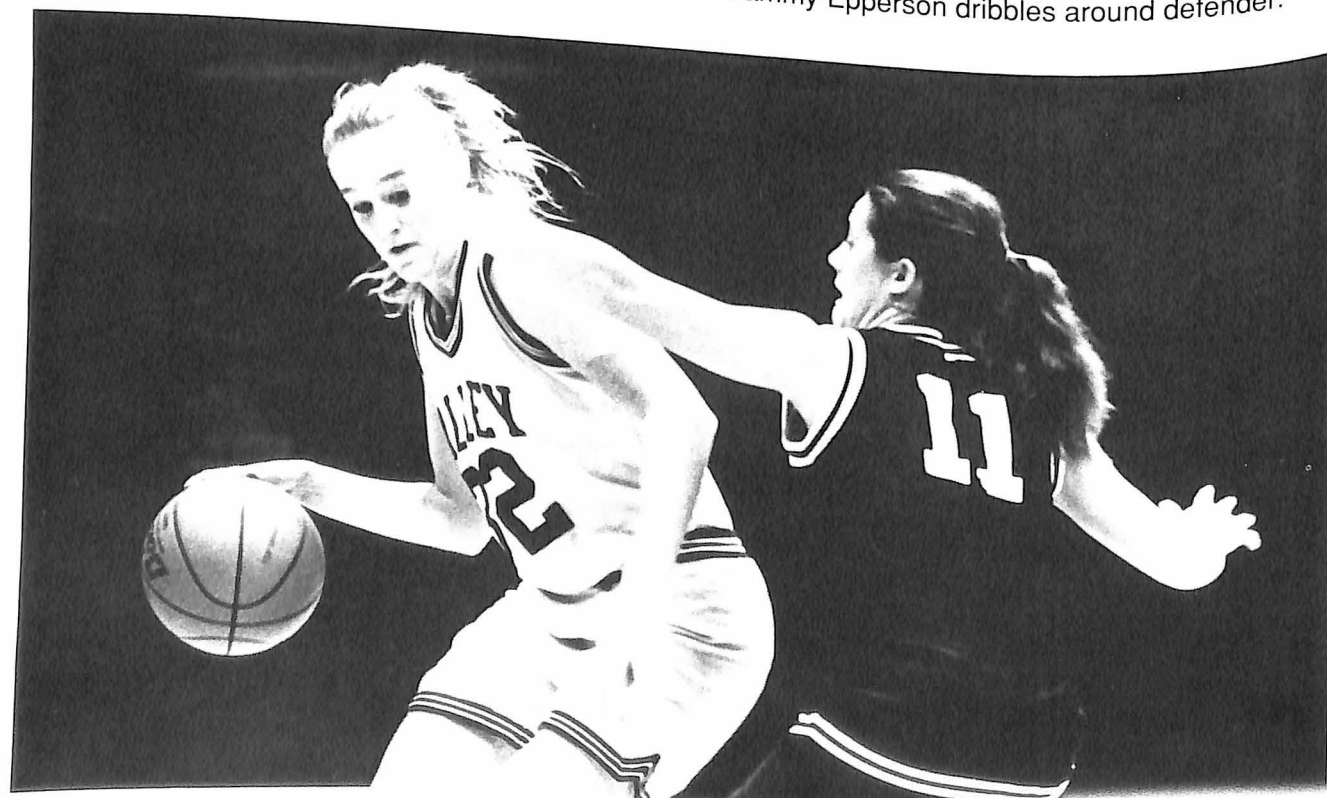

From a 2-26 record in 1991-92, the Lady Viking varsity basketball team ascended to a 14-18 mark in 1992-93. The turnaround was basically accomplished with just one returning letterwinner, some talented transfers, and several promising freshmen.

The MVC women's basketball team was highly competitive against conference opponents. With another good year of recruiting, the Lady Vikings could very much continue to improve and are hopeful of attaining a winning record.

Assistant Coach Elaine Piha was promoted to the position of head coach for the 1993-94 campaign.

VIKING MATMEN PLACE 20TH IN NATIONAL MEET

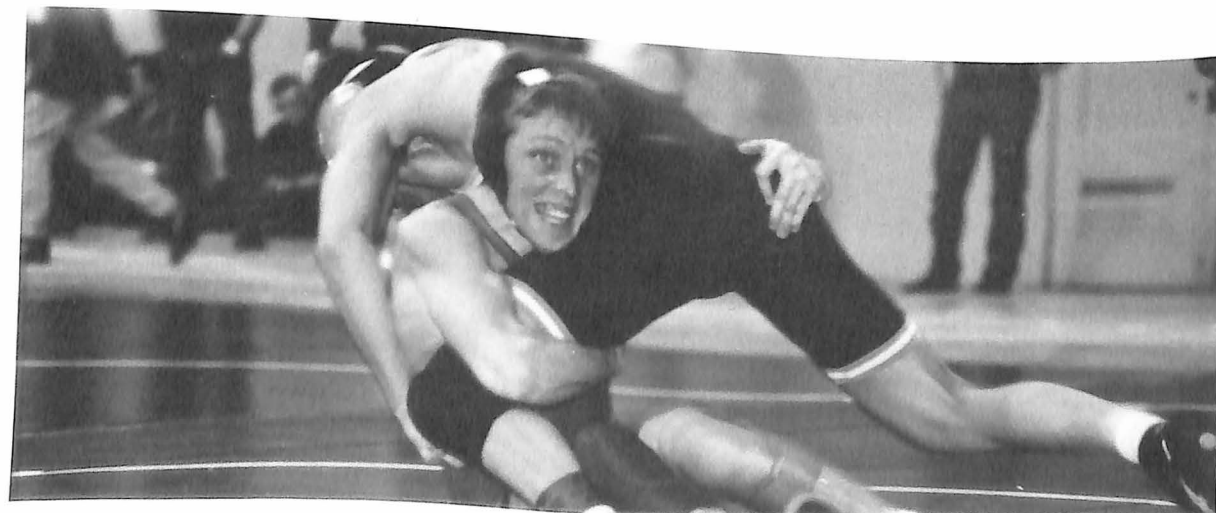

The Missouri Valley College wrestling team earned a 20th place in the NAIA National Tournament held in Butte, Mont.

Attaining All-American status on the mats for the Vikings in 1993 were Jimmy Edwards, 158-pounder, sixth place; Gary Gramm, 118 pounds, seventh place; and Steve Allen, 177 pounds, eighth place.

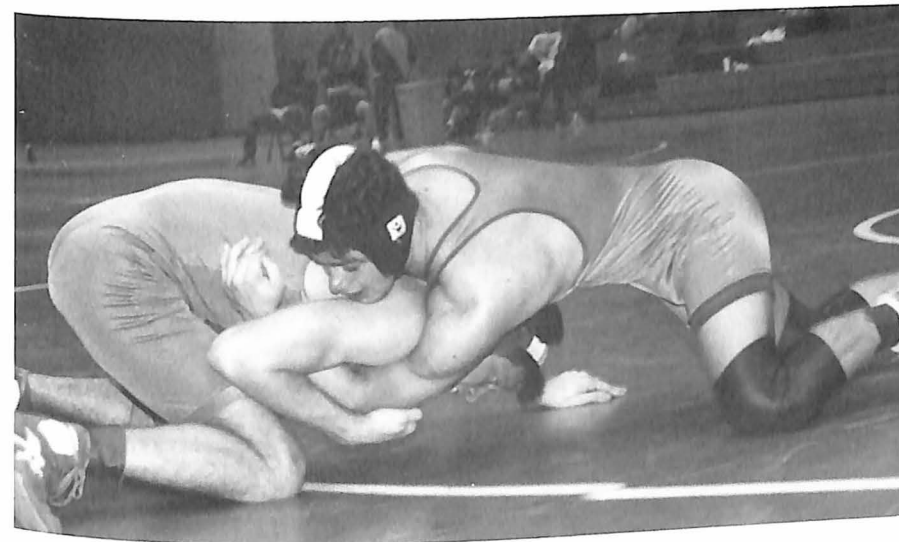

Overall, the Viking matmen had a dual record of six wins and seven losses with several of the opponents being NCAA Division I or II classification. MVC and William Jewell College are the only HAAC affiliates with wrestling programs.

TRACK & FIELD

MVC TRACK ATHLETES PRIOR TO DEPARTURE FOR NAIA NATIONAL OUTDOOR MEET AT BURNABY, BRITISH COLUMBIA (CANADA)

The Vikings of Missouri Valley College continue to be the team to beat in the Heart of America Athletic Conference track and field meets and also in District 16 of the National Association of Intercollegiate Athletics. This dominance is for both indoor and outdoor meets and the Lady Viking tracksters are also becoming a perennial power.

For the sixth straight time MVC Viking thinclads have taken both indoor and outdoor district crowns.

At the 1993 NAIA National Outdoor Meet, hosted by Simon Fraser University in Canada, the Vikings accumulated 18 points to finish 16th among the 58 colleges and universities with entries.

The achievements of the Viking and Lady Viking tracksters immensely helped MVC to finish runner-up to Baker University of Baldwin City, Kan., in the first ever all-sports award within the nine member HAAC circuit.

Josh Hagedorn hurled 16-pound shot to MVC record of 51-feet 6-inches.

The Viking track and field team had several outstanding athletes from foreign countries. Foremost in accomplishments were Balazs Tolgyesi (being timed above by Mike Doolan at one of Valley's indoor meets) and Roman Botcharnikov (close-up above). Tolgyesi from Hungary broke five records in middle distance events and had a terrific season both indoors and outdoors. He became the first MVC athlete ever to become a national champion in winning the 880-yard run at the NAIA National Indoor Meet in Kansas City's Municipal Auditorium Arena. Botcharnikov of Russia is a magnificent pole vaulter who cleared 17-feet, 4-inches to establish the MVC record for that field event. Botcharnikov placed second in his specialty at the NAIA Outdoor Meet in Canada and actually tied the winner for height clearance but had more misses along the way.

The newest sport on campus, the MVC Rodeo Team became a part of the College's athletic program in August of 1992. With eight original members, the team traveled to ten rodeos over the course of the school year, as far away as Monroe, La.; East Lansing, Mich.; and Jackson, Miss.

Funded in part by MVC's Rodeo Club, as well as the proceeds of Saline Rodeo '92 (an IPRA-sanctioned pro rodeo the team hosted in October), the team members also shouldered a significant portion of related expenses on their own.

MVC Head Rodeo Coach Allan Jones says that the ultimate objective each year is for the team members to qualify through regional competition for the College National Finals Rodeo in Bozeman, Mont.

Team members for 1992-93 were Travis Campbell, Joel Chaffin, Marc Fenton, Mark Ficken, Jeanette Glascock, John Martinez, Leeanna Snorgrass, and John Williams. Student assistant coach was Dan Stiles.
